

DOLL THERAPY

...playing for real..

By Tanya Rogers 2010

Where it began.....

- The Qld Dementia Support Team

A new perspective

- Focus on residents

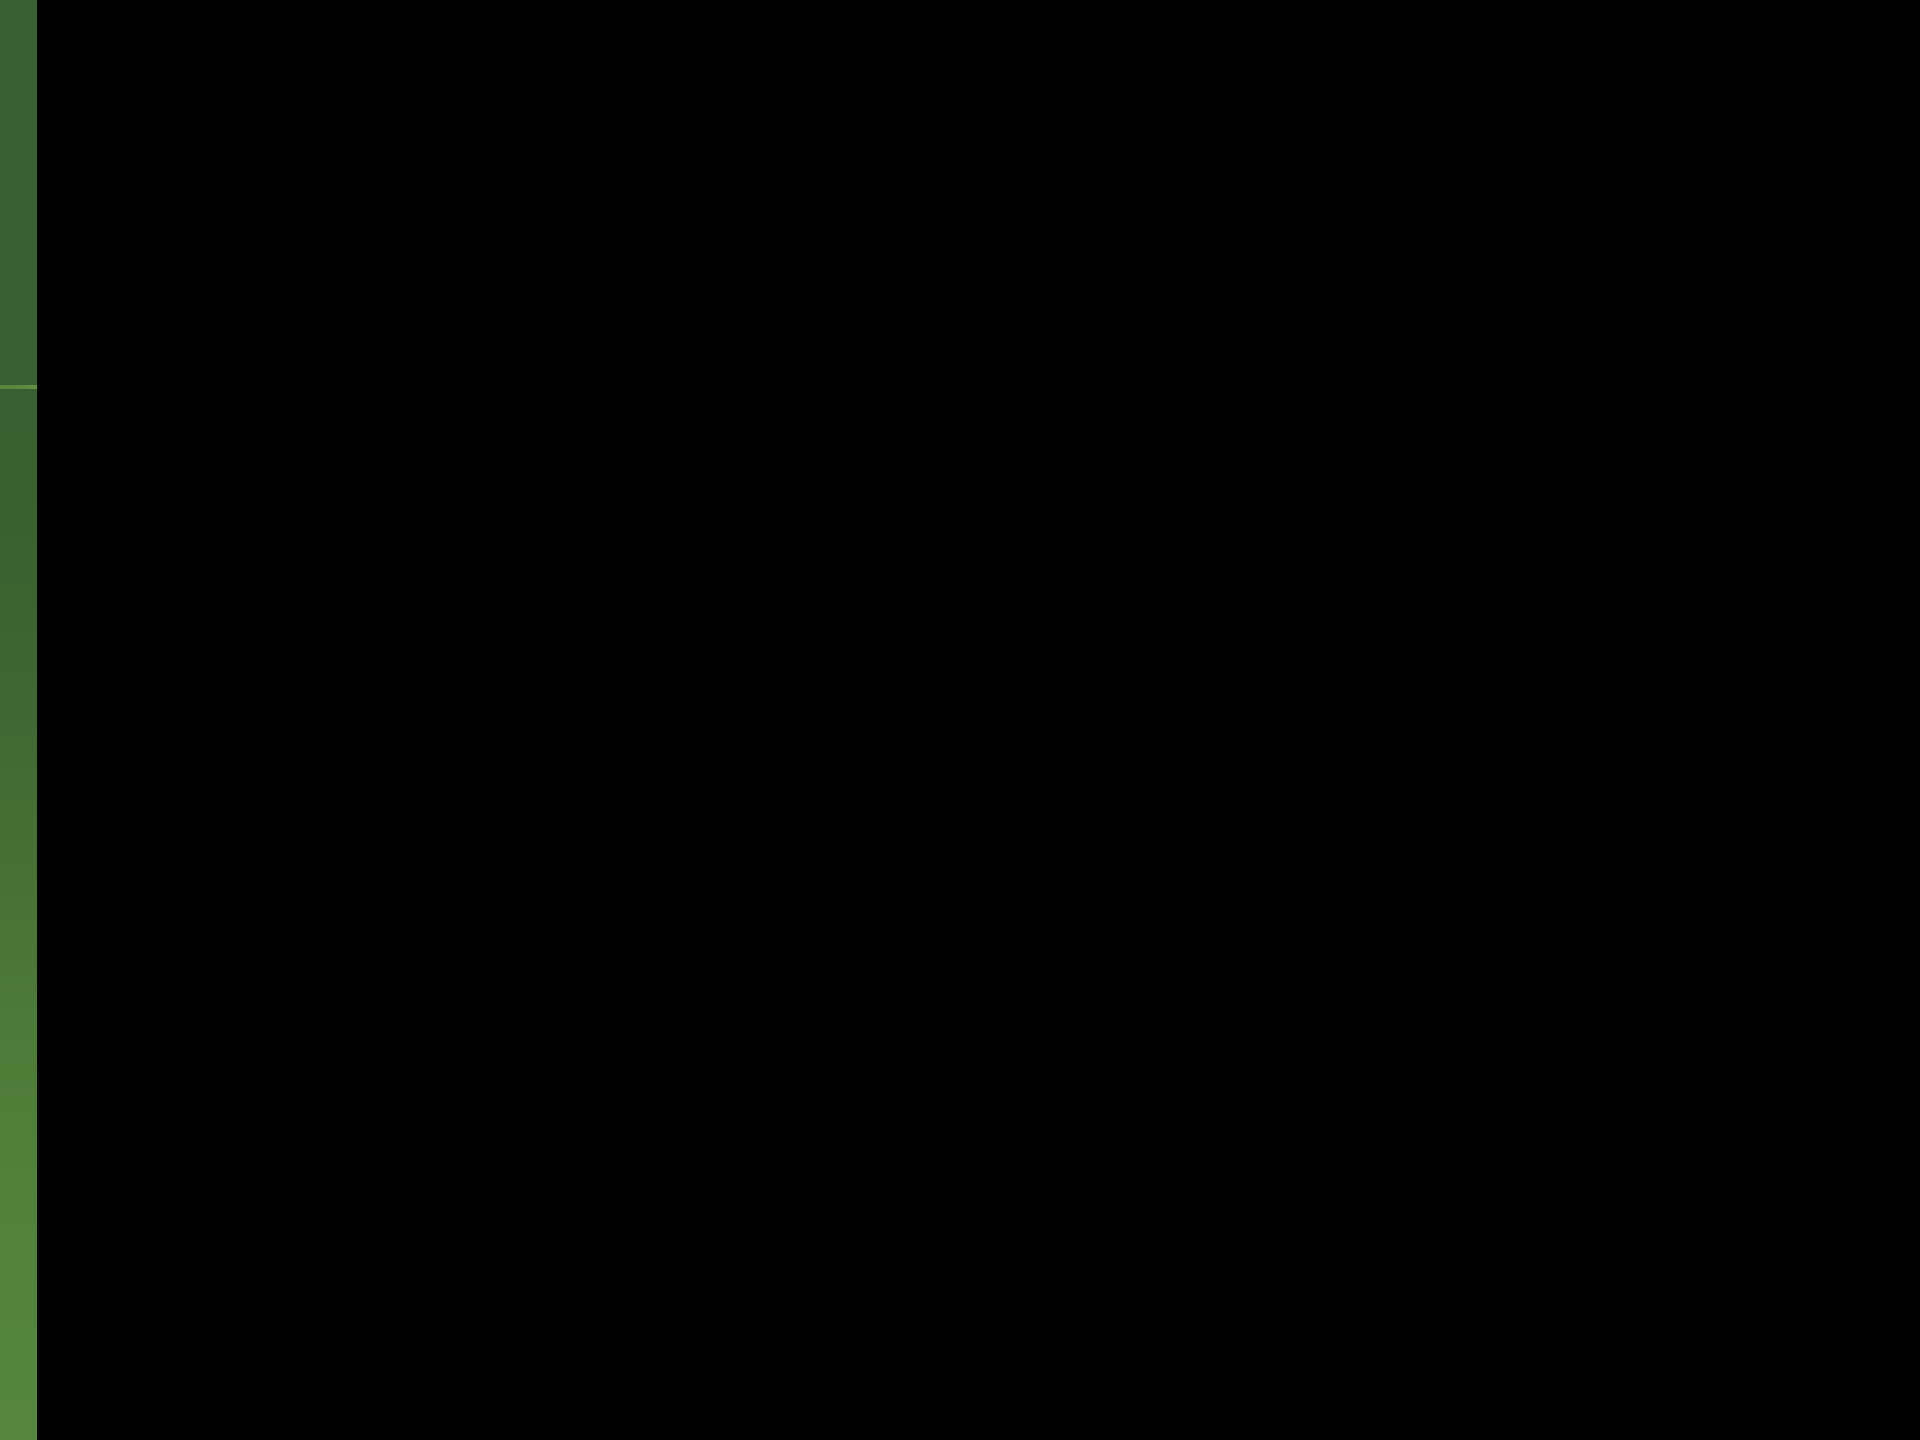

Doll Therapy as a 'Therapy'

- Much has been written
- Much has been debated 10-15 years
- Varying attitudes

About the DVD

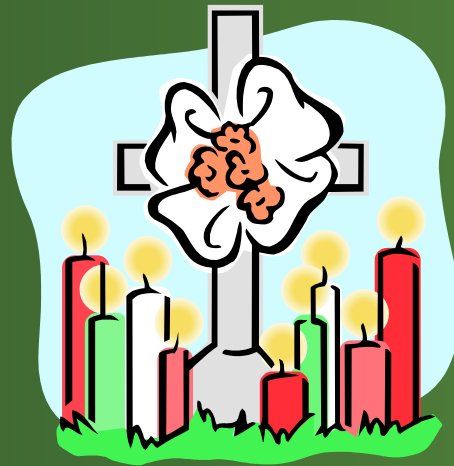

The result..

The 'Connection'

Where are we now?

The End

The text "The End" is written in a cursive, pink font with a blue outline, centered within a light blue oval. The oval is framed by two symmetrical, ornate flourishes in shades of pink and blue.
